A Project for Children in Need

**DON BOSCO PRIMARY SCHOOL**

Empowering Vulnerable Youth in Society

## MERRY CHRISTMAS & HAPPY NEW YEAR 2019

Dear *Dr. Alfons and team,*

Greetings to you from all of us at Bosco Boys.

Bosco Boys is a project that was started for the children in need in 1990, mostly street children of Nairobi. It has grown in the past 28 years with the assistance we have received from you and many generous persons like you. So far over 1400 boys and girls have received primary, secondary and university/Technical education. Most of our beneficiaries are boys who were roaming in the streets of Nairobi. At Don Bosco Primary School we have boarders, and day scholars who come from the slums around Kuwinda. We have two nursery schools in the slums of Kariua and Kuwinda.

On an average per year the expense per child in the primary school is about Ksh. 50,000/= and in the secondary school it is Ksh. 55,000/=. This includes all the expenses like education, food, accommodation, medication, stationeries etc... You could support us by sponsoring a child or through any occasional donations in kind or cash. Any support you give will go in a big way in empowering a child to realize his/her dream in life thus you become a friend of Bosco Boys!

**Currently Bosco Boys is assisting 35 children in the rehabilitation centre at Langata, 68 children in the nursery schools, 234 children in the primary school at Kuwinda, 94 students in secondary schools, 8 students in technical training and 18 students in the various universities in Kenya thus making a total population of 457students. 32 students are waiting to join secondary/technical training and 10 in the university in 2019.**

As the year is coming to an end and as we are in the threshold of another year 2019 our hearts rise in gratitude to the Almighty for all His Blessings through you this year 2018.

**Your sincere contribution to Bosco Boys has led to the success and easy running of the Institution. You have been very good to us and ready to support us when and where we needed you. May God bless you and your family for what you have done for us and we look forward to your continued support.**

As we are going to celebrate the great feast of Christmas we wish you God's blessings during this season of Christmas and throughout the coming year 2019.

Thanking you in advance for your continued support and in union of Prayers.

Yours Faithfully in Don Bosco
